EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: in claim 1 in line 16 change "boilers" to - - boiler- -.

Further, claims 53-70 are cancelled.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance: the limitations of "...a boiler system for supplying heated brine and cooking the shellfish product therein, said boiler system comprising: a brine mixing tank including means for introducing water therein an means for introducing salt therein to create a brine solution of a predetermined concentration in which the shellfish product is to be cooked; a primary seafood boiler for retaining brine obtained from said brine mixing tank and maintaining said brine at a constant, predetermined temperature; and a conduit extending between said brine mixing tank and said primary seafood boiler for selectively transporting of brine to primary mixing tank; and at least one auxiliary boiler in line with said conduit for heating said brine to the desired temperature and storing the brine therein until called for to replenish used brine that has been removed from said primary seafood boiler;
